

Breanna I. Krueger, PhD CCC-SLP
Assistant Professor

Education:

Year	Institution	Degree
2017	University of Kansas	Ph.D. – Communication Sciences and Disorders
2013	University of Kansas	M.A.-- Communication Sciences and Disorders
2011	University of Kansas	M.A. -- Linguistics
2007	University of Wyoming	B.A. – Spanish Language and Literature

Professional Experience

- Aug. '17 – present **Assistant Professor**
Division of Communication Disorders, University of Wyoming
- Aug '15—May '17 **Pre-K-12 Speech-Language Pathologist**
Keystone Learning Services, Ozawkie, KS
- June '12 – May '17 **Graduate Research Assistant**
Intercampus Program on Communication Disorders, University of Kansas
- June '11—June '12 **Graduate Teaching Assistant**
Applied English Center, University of Kansas
- Aug '09 –May '11 **Graduate Teaching Assistant**
Linguistics, University of Kansas

Awards and Honors

- May 2017 **Graduate Research Presentation Award.** For outstanding Graduate Presentation at the Graduate Student Research Competition, University of Kansas
- April 2015 **Schiefelbusch Child Language Scholarship.** For outstanding research in childhood speech and language development
- Jan. '14—Dec. '16 **T-32 Doctoral Trainee.** NIH pre-doctoral training grant. PI Mabel Rice, University of Kansas
- May '14 **Margaret C. Byrne Saricks M.A. Graduate Student Research Award.** For top graduate M.A. thesis at the University of Kansas

Research and Scholarship

Publications (Peer-reviewed journal articles):

Revised 5/19/15

Krueger, B.I., Storkel, H.L. & Minai, U. (2018). The influence of misarticulations on children's word identification. *Journal of Speech-Language and Hearing Research*. doi: 10.1044/2017_JSLHR-S-16-0379.

Publications (Refereed Book and Monograph Chapters):

Krueger, B.I. & Storkel, H.L. (2016). The effect of speech sound disorders on the developing language system: Implications for treatment and future directions in research. Gaskell, M.G. & Mirkovic, J. (Eds.), *Current issues in the psychology of language; Speech perception and spoken word recognition*. United Kingdom: Psychology Press, pp. 164-180. (invited)

Presentations (Refereed National and International Abstracts): (your name in bold, indicate if data-based, student authors and/or invited presentation)

Krueger, B.I. & Storkel, H.L. (2017, November) When to start: The consideration of age in the selection of treatment targets. *Oral seminar presented at the annual American Speech-Language and Hearing Association National Conference*. Los Angeles, CA. (data-based)

Krueger, B.I. & Storkel, H.L. (2017, June). Age and its impact on the resolution of late-acquired sounds. *Oral presentation at the annual meeting of the International Child Phonology Conference*. Washington, D.C. (data-based)

Krueger, B.I., Storkel, H.L., Vorndran, J.* & Neenan, L.* (2016, June) The effect of common versus uncommon speech substitutions on the recognition and processing of words. *Poster presentation at the annual meeting of the International Child Phonology Conference*. Flagstaff, AZ. (data-based)

Krueger, B.I. & Combitis, P. (2016, November). What to treat & how to treat it: Making treatment decisions for children with SSD. *Oral seminar presented at the annual American Speech Language and Hearing Association National Conference*. Philadelphia, PA.

Krueger, B.I., Storkel, H.L., Minai, U. (2015, June). *Preschoolers' processing of words containing misarticulations*. Presented at the annual meeting of the International Child Phonology Conference, St. John's, Newfoundland. (data-based)

Krueger, B.I., Storkel, H.L., Neenan, L.* & Vorndran, J.* (2015, November) The effect of substitution type and real-object bias in the identification of misarticulated words. *Poster presentation at the annual American Speech Language and Hearing Association National Conference*. Denver, CO. (data-based)

Krueger, B.I., Storkel, H.L., Minai, U. (2015, November) A comparative analysis of two tools for measuring children's word processing: MouseTracker and Eye-Tracking. *Poster presentation at the annual American Speech Language and Hearing Association National Conference*. Denver, CO. (data-based)

Storkel, H.L. & **Krueger, B.I.** (2015, November) Lexical Influences on Phonological Treatment: The Evidence for Real Words versus Nonwords. *Oral seminar*

presented at the annual American Speech Language and Hearing Association National Conference Denver, CO. (invited)

Brady, N., **Krueger, B.I.**, Fleming, K., Salley, B., Swinburne Romine, R., & Kasari, C. (2015, April). Formative assessment of the Communication Complexity Scale (CCS). *Presentation at the 48th Annual Gatlinburg Conference on Research and Theory in Intellectual and Developmental Disabilities*. New Orleans, LA. (data-based)

Krueger, B.I. & Storkel, H.L. (2014, June) The influence of misarticulation in preschooler's word recognition. *Poster presentation at the Symposium on Research in Child Language Disorders*. Madison, WI. (data-based)

* Undergraduate/Graduate Student

Presentations (Refereed Local and Regional Abstracts): (your name in bold, indicate if data-based, student authors and/or invited presentation)

Krueger, B.I. (2017, April) Age as a factor in the treatment of late-acquired sounds. *Oral presentation at the Child Language Proseminar at the University of Kansas*. Lawrence, KS (invited)

Krueger, B.I. (2015, October) Preschoolers' identification of words containing misarticulations: Investigating measurement methods. *Oral presentation at the Child Language Proseminar at the University of Kansas*. Lawrence, KS. (invited)

Krueger, B.I. & Storkel, H.L. (2015, September) Preschoolers' perception of words containing common and rare misarticulation types. *Poster presentation at the annual meeting of the Kansas Speech-Language Hearing Association*. Wichita, KS.

Krueger, B.I. & Storkel, H.L. (2014, September) What's a weaf? Preschoolers Recognition of Misarticulated Words. *Poster presentation at the annual meeting of the Kansas Speech-Language Hearing Association*. Olathe, KS.

Krueger, B.I. (2014, March). The influence of misarticulations on preschoolers' word recognition. *Poster presentation at the University of Kansas Graduate Research Competition*. Lawrence, KS.

Krueger, B.I. (2014, February). The influence of misarticulations on preschoolers' word recognition. *Oral presentation at the Child Language Proseminar at University of Kansas*. Lawrence KS. (invited)

Work in Progress: (List grants, publications and presentations that are in progress, either submitted and under review or in preparation for submission.)

Krueger, B.I. & Storkel, H.L. (manuscript in preparation, expected submission January 1, 2018). Real-object bias in preschoolers' identification of misarticulated words. *Journal of Child Language*.

Revised 5/19/15

Krueger, B.I. & Storkel, H.L. (manuscript in preparation, expected submission, April 1, 2018). The impact of age on the treatment of late-acquired sounds. *Speech-Language-Hearing Services in Schools*.

Krueger, B.I. (grant application, submission April 27, 2018). The effectiveness of treatment for late-acquired sounds: An investigation of differences across age groups. *American Speech-Language-Hearing Association New Investigators Research Grant*

Teaching

Course Number	Course Name	Year	Credit Hours	Number of Students
SPPA 1010	Introduction to Communication Disorders	2017	3	42
SPPA 5020	Phonological Treatment and Assessment	2017	3	16
SPPA 5030	Clinical Practicum	2017	2	6

- **Advising**

Year	Number of Undergraduate Advisees	Number of Graduate/Resident Advisees
2017	8	0

University Service (Listing of Committee/Administrative Responsibilities)

- **College of Health Sciences**
 - Faculty Development & Awards Committee
- **Division/School**
 - Learning & Assessment Committee

Professional/Community Service

- **Professional Memberships and Activities** (including grant and manuscript review)
 - American Speech-Language and Hearing Association (ASHA) member
 - 2018 Topic Committee Member at the National ASHA Convention
 - ASHA Research Mentoring Network
 - Special Interest Group 19 (Speech Science) Member
 - Special Interest Group 10 (Higher Education) Member
 - Kansas Speech-Language and Hearing Association Member
 - Wyoming Speech-Language Hearing Association Member
- **Clinical Practice**

Revised 5/19/15

- Certification of Clinical Competence (CCC), American Speech-Language Hearing Association
- CCC-SLP Licensure, State of Kansas
- CCC-SLP Licensure, State of Wyoming
